

Dear Detective Parents,

Thank you for participating in our adventure! We wanted to let you know (only you, not your Detectives!), that this show will have your kids wandering around the house searching for clues. During the 45 minute performance, we will be asking the Detectives to look in certain areas of your home for things you have hidden for them prior to the show starting.

Please give them a chance to find these items without your assistance. It might take them a few tries, but there is no rush. They will have 2 minutes (or so) to find each item after we explain what to look for and where.

The items you need to gather are clearly listed on the document titled “**Parent Clue Prep**”, along with instructions on what to do with each item next to it. Do your best placing the items where you think they should go. **Hide the items at least one hour before show time.** We are ready to help any Detectives who might need it, but we want to give them time to have fun and really search. *Remember, this is an adventure!*

If you have more than one child participating, you will need one of each item for *each* child, and we recommend that you label the items with each Detective's name on it. When they see the item, we want to make sure that they only take their item and not their sibling's.

Be sure to click on “**Access the event**” button in your Eventbrite email **15 minutes before** your show starts. Please keep you detectives in another room until we call them in. We need to help you set up the Zoom and make sure that your detectives are not with you at that time.

The kids are in for quite a treat and we cannot wait to share our Hanukkah adventure with your family!

B'Shalom, Becky Cherlin Baird & Team Codemaster Kidsonstageproductions@gmail.com
